

NORTH RIVER SCHOOL DISTRICT #200

BOARD POLICY

NO. 3417

ACCIDENTS ON SCHOOL PREMISES

All accidents on the school grounds or in the buildings shall be reported to the Superintendent. A written report on accidents should be turned in to the Superintendent's office on the form provided. Only first aid is to be administered at the school and this should be done by individuals trained in first aid procedures. The child is to be taken directly home or to a doctor if it is necessary. The parents are to be contacted, if possible, then the child taken to the family doctor. Accident insurance is available at a nominal cost through the year.

Adopted: September 11, 1991
