Board Policy

BP 8124

Bus Emergency Exit Drills

The school shall conduct at least one emergency exit drill for each semester of the school year, the first drill to be conducted during the first week of school. All school bus drivers should be given careful, periodic instruction in evacuation procedures and be involved in at least one emergency evacuation drill per school year. Such drills will be conducted according to The School Bus Driver Handbook.

Adopted: April 21, 1992
