

North River School District #200

Board Policy

BP 8350

Loss of Personal Property

It is the policy of the Board that materials and equipment brought into the school for instructional purposes upon approval of the Superintendent will be covered for loss and damage under the District's insurance policies.

Articles that are brought to school by students, teachers or other school employees are not covered for loss due to theft, fire or for any other cause unless their use for instructional purposes was specifically authorized by the Superintendent
