

**North River School District #200**

**Board Policy**

**BP 8126**

**Rules for School Bus Drivers**

The safe transportation of students for school related activities is of critical importance.

All drivers are directed to comply with The School Bus Driver Handbook, Revised, September, 1990, published by the Office of the Superintendent of Public Instruction of the State of Washington.

Adopted: April 21, 1992
