SCHOOL DANCES

When students enter the room where the dance is being held, they must stay until the dance is over. If they leave the premises without permission, they will not be permitted to re-enter.

The sponsoring organization and advisor are responsible for preparation and cleanup and obtaining appropriate chaperones.

All dances will be from 8:00 to 10:00, or 9:00 to 12:00; the decision is left up to the sponsoring organization. Exceptions will be considered individually.
