INCENTIVE PAY

The North River School District shall provide an incentive pay program for teachers within the limitations imposed by the costs, facilities, budget, funding and qualified staff. Equal consideration will be given for any incentive pay proposals submitted. No teacher will be excluded from the program participation by reason of age, physical disability, national origin, race marital status, religion or sex.

Incentive pay program is established for teachers to submit a viable program proposal above and beyond the regular school working day. Every year teachers will be allowed to submit an incentive pay proposal that benefits students and promotes student learning within the district. This shall be for but not limited to extra hours spent in fees, training, expenses, and costs associated with organization of learning activities that benefit children. Funding for program can be and not limited to I-728 funding for staff development and extended learning time.
