

NORTH RIVER SCHOOL DISTRICT #200

BOARD POLICY

NO. 3560

SOLICITATION OF STUDENTS

It is the policy of the Board that the school may not be used for advertising purposes by any community or non-school agency without the approval of the Board.

The Superintendent may cooperate in furthering the work of any non-profit, community-wide social service agency provided such cooperation does not infringe on the school program.

The Superintendent may also authorize the use of educational materials with the advertiser's name if in his judgment the materials are valuable to the education of the children and promotional aspects are not obtrusive.

Teachers should not permit advertising to be distributed to the pupils at the school nor should they make announcements of outside events unless cleared with the Superintendent/Principal.
